You do need to pay a deposit of kr. 1250 DKK to start Danish lessons at any language school in Denmark.

(If you switch school the deposit must be transferred to the new school)

You are not required to pay a deposit.

How do I get my deposit back?

Whenever you wish to stop your Danish Education, either in between modules, if you switch schools or when you pass the final test Prøve i Dansk, you get the deposit refunded in full.

However we always recommend that you stop your Danish Education after passing a module test.

If you wish to stop anyway you just need to apply, in writing, for your deposit back.

Will I lose my deposit if I want to stop without passing a module test?
